B. GRAMMAR

I. [illegible] "It" để chỉ khoảng cách ("It" for distance)

- **Cấu trúc hỏi về khoảng cách**

Để hỏi về khoảng cách từ địa điểm A đến địa điểm B, chúng ta thường dùng cấu trúc sau:

Structure/ Example	**How far is it from** + địa điểm A + to + địa điểm B? **E.g:** How far is it from your house to the school? (Nhà bạn cách trường bao xa?) How far is it from here to the bus stop? (Trạm xe buýt cách đây bao xa?)

- **Dùng "It" để chỉ khoảng cách**

Structure/ Example	**It's (about) +** khoảng cách **E.g:** It's about 300 metres. (Khoảng 300m.) It's 2 km from here to the bus stop. (Trạm xe buýt cách đây 2 km.) **Lưu ý:** **About** có thể được lược bỏ và khoảng cách có thể được thay bằng một khoảng ước lượng. **E.g:** It's ve It's quite far. (Nó khá xa.)

II. Dùng "should/ shouldn't" để đưa ra lời khuyên

- Chúng ta dùng Should hoặc Shouldn't để khuyên ai đó nên hay không nên làm gì.

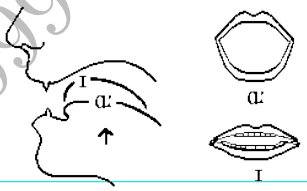

E.g: A: I have a toothache. (Tôi bị đau răng.)
B: You should go to the dentist. (Bạn nên tới nha sỉ.)

Dạng thức	Công thức/ Ví dụ
(+) Khẳng định	**S + should + V**(nguyên thể)

Trần Trường Thành - Zalo 0369904425

C Reading

Exercise 1. Read the following passage and circle the letter A, B, C, or D to indicate the correct answer to each of the questions.

Who are the best drivers? According to a recent survey, young and inexperienced drivers are the most likely to have an accident. Older drivers are more careful. Young men have the worst accident records of all. They often choose faster cars with bigger engines. One of the most interesting facts in the survey is that passengers have an effect on the driver. When young male drivers have their friends in car, their driving becomes worse. When their wife or girlfriends is in the car, however, their driving is better. But this is not true for women.

Tran Truong Thanh 0369904425

Their driving is more dangerous when their husband or boyfriend is in the car. However, if their small children are riding in the car, **they** drive more slowly and safely.

Exercise 2. Read the passage and circle the correct option to complete the sentences.

Traffic rules

Traffic rules are imposed by the government for the safety of people. Traffic rules are very important for road safety.

First, the traffic signals help a smooth movement of the vehicle. Breaking the rules is very harmful led to traffic problems. Traffic signals are divided into three types: first as guidance, second as a warning and third as regulatory.

Second, a traffic light is the most important part of traffic rules. People should be aware of the traffic lights. They are the signals which suggest people when to slow down, stop and drive vehicles. The colour Red means stop, Green means go and Yellow means slow down the vehicle.

Furthermore, the vehicles should maintain the speed limit mentioned in the speed limit board. The horn sign on a board with a line drawn above it tells that people should not honk unless it is needed. One should not use mobile phone while driving the vehicle. Drink and drive cause many accidents every year which led to lives lost.

Also, the Created by: Mr Thanh (0369904425) above it tells that people should not park their vehicles near any important place like school. Vehicles should be parked where a capital P signboard is there. They should be parked in the given space. The traffic police will charge an amount of money as fine.

Key Points to Remember on Traffic Rules in England

Below are some key points you need to remember when you travel in England.

The general rule of keeping left: When you are driving on a road which is a two-way road, you need to allow the traffic from the opposite direction to pass from your right side. Similarly, all the vehicles in your lane also need to be given the right side to overtake.

When you turn: When you are taking a turn, always keep to your turning side, meaning when turning right, get to the right side of the road and do the same when turning to the left.

Do not park: Surely, you want to park your vehicle as fast as you can, but that doesn't mean you leave your car on the side of the road. Find the parking near your building and park it there. If parking is not available, make sure you are not parking near the bus stand, school, or hospital entrance.

Do not drive: When you are going on a one-way road, you cannot reverse your vehicle.

Use indicators: When you are changing lanes, overtaking the other can or taking a turn, always use turn signals or indicators to make follow drivers know about your man oeuvre

Do not cross the stop lines: As the traffic signal, when you get to stop your vehicle due to a red signal, make sure you are not keeping your car on the stop line or on the pedestrian crossing.
